The Portland township board held a special meeting on Monday, September 19, 2022 at the Portland Township Hall at 6pm to discuss the proposed layout of the Grand River property with Progressive AE.

Supervisor Jensen, Clerk Keilen, Treasurer Schneider and Trustee VanLente attended the meeting. Keith Cook and Jeanne Vandersloot were also in attendance. Progressive representatives in attendance were Mr. Horman and Mr. Oezer.

Two layouts were presented. Items affecting the layout were: Property value, drainage area, power lines, road access, future property usage, water/sewer access, and future growth.

The land perked with good results but a city water and sewer connection is being considered. Supervisor Jensen will reach out to the Portland City Manager to start a discussion about options.

Zoning Administrator Vandersloot suggested a Planned Urban development for Zoning purposes.

Progressive will create a proposal for a conceptual design layout for the 2 buildings, parking spaces and access drives.

Supervisor Jensen motioned to adjourn at 7:44 pm seconded by Treasurer Schneider and carried.
