CITY OFFICES CLOSED

City offices will be closed Friday, April 7, 2023, for Good Friday.

FIRE HYDRANT FLUSHING

The City Water Dept. will conduct its semiannual preventative maintenance program on the water system by systematically flushing all fire hydrants. **Flushing is tentatively scheduled for April 3rd – 14th.** Please call Rod at 647-2948 to determine when crews will be in your area and **remember that rusty or discolored water can occur after flushing.** If your water is discolored, make sure to run your cold water until it clears up. Make sure to check your tap water before washing clothes and to let the water run until it's clear before using.

TORNADO SIREN TESTING

At Noon on the first Saturday of each month, April through October, the City's tornado sirens will be tested by Ionia County Central Dispatch. At any other time, you hear the tornado siren, it means that a tornado warning has been issued for our area and you should seek shelter immediately.

Please pick up after your dog. According to City Ordinance all dogs must be secured by a leash while on any public property. Also, dogs are not allowed to defecate on any premises other than their own, unless the person in possession of the dog promptly cleans up any feces deposited by the animal. Violators may be cited and fined up to \$500.
