At a regular meeting of the Township Board of the Township of Portland, Ionia County, Michigan, held at the Township Hall located at 773 E. Grand River, Portland, Michigan, on the 8th day of August, 2012, at 7:00 p.m.

PRESENT: Gerald Tiemann, Charlene Keilen, Leanne Simon, Joseph Pung, Julius Platte

ABSENT: None

The following preamble and resolution was offered by Leanne Simon and seconded by Gerald Tiemann.

WHEREAS, on July 29, 2009, Jeremiah Mathew Carruth tragically lost his life after jumping from the Goodwin Road Bridge into the Grand River; and

WHEREAS, the Township of Portland has repeatedly requested that the Ionia County Road Commission remove the bridge because of the danger it poses to the health, safety and general welfare of the public and because it constitutes an attractive nuisance; and

WHEREAS, it is the opinion of the Township Board of the Township of Portland that the Ionia County Road Commission has not adequately secured the Goodwin Road Bridge; and

WHEREAS, the Ionia County Road Commission has thus far failed to correct the safety hazard and has not provided a satisfactory reason to the Township or the general public why the bridge cannot and should not be immediately removed; and

WHEREAS, the Township has obtained an estimate from Davis Construction, attached as Exhibit A to this Resolution, for the removal of the bridge and implores the Ionia County Road Commission to take immediate action to remove the Goodwin Road Bridge so that the future loss of life is avoided and public safety secured.

NOW, THEREFORE, the Township Board of the Township of Portland, Ionia County, Michigan, resolves as follows:

- 1. The Township Clerk is directed to send a copy of this Resolution, together with the estimate from Davis Construction, attached hereto as Exhibit A, to the Ionia County Road Commission.
- 2. The Township of Portland urges and implores the Ionia County Road Commission to take immediate action to remove the Goodwin Road Bridge to secure public safety and avoid any future loss of life.
- 3. The Township of Portland demands that the Ionia County Road Commission provide the Township and the general public with a detailed explanation why the Goodwin Road Bridge should not be immediately removed.
- 4. A copy of this Resolution shall be available for examination at the office of the Township Clerk, and copies may be provided for a reasonable charge.
- 5. Any and all resolutions that are in conflict with this Resolution are hereby repealed, but only to the extent to give this Resolution full force and effect.
